### **Gambling in Canada: Current Research & Future Directions**

This year AGRI is celebrating its 20th Anniversary. The conference this year focuses on Canadian gambling. More specifically, it will feature the results of the AGRI National Project as well as profile the major gambling-related research and policy initiatives that are occurring across the country.

#### **Registration Information**

Information about the conference, including the program, registration, and poster submissions, is available on the Institute website in early January 2021:
