

BARRIER LAKE FIELD STATION GUEST INFORMATION
Upon arrival at the Field Station there will be a safety presentation by a staff member.

1. Linens, pillows, blankets and towels are provided.
2. Cell phone reception is extremely patchy at the station. A staff member or your group leader can assist you if a long distance call is required during stay.
3. Internet access is available with a combination of wireless/wired connections. Wireless can be accessed in most buildings. University of Calgary staff and students can access airuc secure. Other academic institutions can access eduroam. Otherwise, a "Guest account" can be created in advanced (via your group coordinator). There are numerous computers with wired connection in the lab building computer room.
4. Pets are not allowed at the Field Station.
5. **Outside campfires are not permitted.**
6. Please park your personal vehicle in the main parking lot.
7. Hiking boots and dirty, wet footwear are not to be worn in the Lodge, Lab or duplexes.
8. Meals are served in the Main Lodge. Please note the Main Lodge is a **NUT FREE BUILDING**. Contact your instructor/leader if you have any food allergies, are a vegetarian or have cultural or medical restrictions.
9. Please use the recycling bins in the Lodge for your empty beverage containers.
10. A laundry room is available in the North Shop. Washing machines are \$2.00/load and dryers are \$1.00/load. Please bring your own laundry detergent.
11. Please do not store any food in the sleeping accommodations. Appropriate cupboard space is available in both lodges.
12. Enjoy your stay! Let a staff member know if there are any maintenance issues (broken light bulb, plumbing issues, etc.)
