The **Log In Menu** in the top menu toolbar, provides you with several options related to your profile.

The RMS **Logout** is also available in the menu.

The **Toolbar** contains elements that remain static and are available to the user at all times.

Clicking the **Add New Content** button displays options based on your role permissions for creating content such as new Pre--award records.

The **Left Navigation Menu** provides access to research process and administration tools.
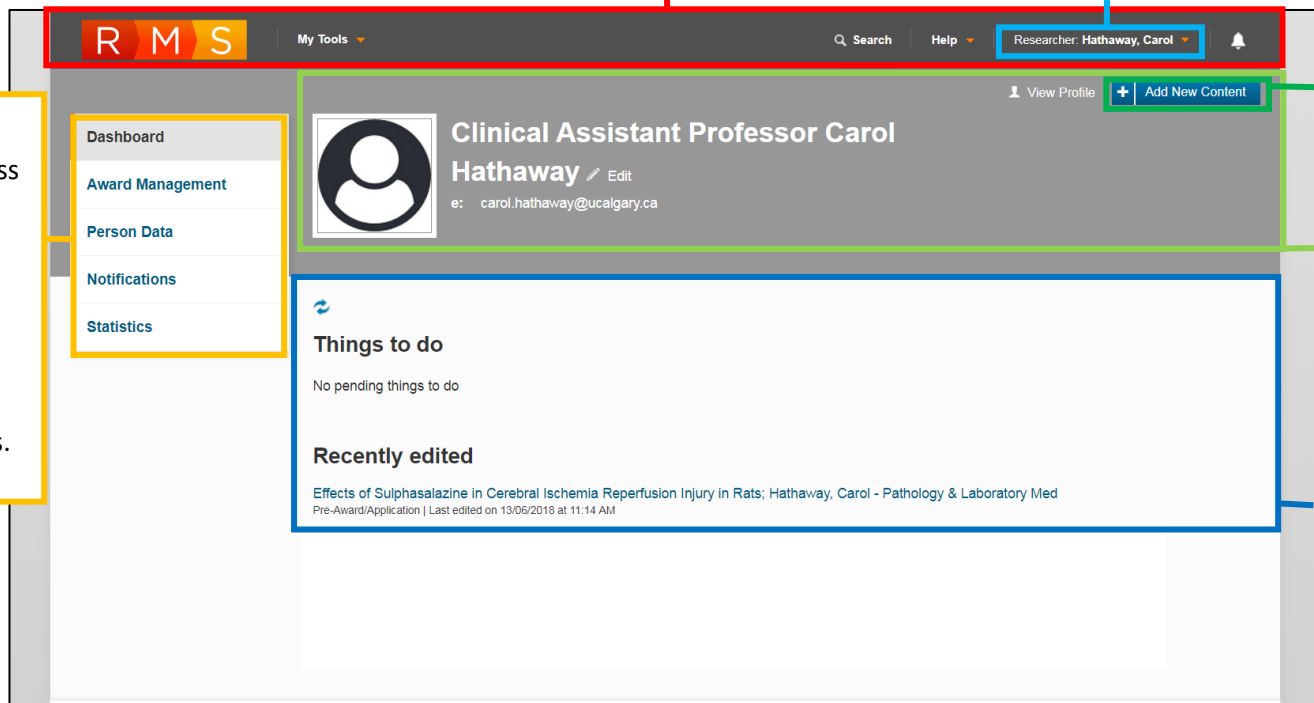

The options that appear are dependent on your role and permissions.

The profile **Edit** feature is located in the **Dashboard Header**.

The **Dashboard Things to do** section is where you will find records that are in progress and need your attention

The **Recently edited** list displays records recently edited by you.
