WHY
IS IMMIGRATION IMPORTANT TO CANADA?

The Conference Board of Canada | Le Conference Board du Canada

1.6 Canada's fertility rate, which is ranked **181st** globally, is well below Canada's replacement rate of **2.1**

Immigrants TODAY make up 65% of Canada's net annual population growth

Canada's acceptance of immigrants on humanitarian grounds demonstrates compassion, leadership and enhances Canada's global standing

25% of Canada's population will be over 65 by 2035

5,000,000 Canadians set to retire by 2035

Almost **100%** of Canada's net population growth will be through immigration by 2035

IMMIGRANTS...

- boost trade ties between Canada and the world
- strengthen culture and diversity
- are motivated, innovative and entrepreneurial

Canada's worker-to-retiree ratio TODAY

Canada's worker-to-retiree ratio in 2035

350,000 Estimated number of immigrants Canada will need annually by 2035 to meet its workforce needs

Whole-community approach: Local Immigration Partnerships

Local Immigration Partnerships (LIPs) are community-based bodies that promote integration at the local level and foster more welcoming communities. LIPs focus uniquely on the community sector at large in a municipality or in small centres and rural communities. LIPs are hosted by municipal or regional governments or community organizations that have experience in serving immigrants.
