

### **Canada Research Chair (Tier 1) in FinTech, Finance Area, Haskayne School of Business**

The **Haskayne School of Business, University of Calgary** invites applications for a **Canada Research Chair (CRC) Tier 1** position in **FinTech**. The successful candidate will be appointed at the rank of **Associate Professor (with tenure) or Professor (with tenure)**, depending on their qualifications, and will be nominated for a CRC Tier 1. All candidates are expected to have a PhD in Finance, Economics, or a closely related field. Further information about the Canada Research Chairs Program can be found on the Government of Canada's [CRC website](#), including eligibility criteria. The anticipated start date is July 1, 2022.

#### **Candidates at the associate professor rank must have:**

- An international reputation in finance or economics, with a focus on Fintech, as evidenced by:
  - A very strong record of research with multiple publications in highly-ranked finance (top three) or economics (top five) journals;
  - A very strong record of publication in other high quality outlets in finance and related fields (e.g., economics);
  - Demonstrated impact in the profession in terms of citations and professional activities (refereeing and editorial boards, presentations or invited discussions at high-quality conferences, etc.);
- A demonstrated ability of effective teaching and graduate student supervision;
- A demonstrated willingness to provide service to the university and profession.

#### **Candidates at the professor rank must have:**

- An international reputation in finance or economics, with a focus on Fintech, as evidenced by:
  - An exceptional record of research with many publications in highly-ranked finance (top three) or economics (top five) journals;
  - An exceptional record of publication in other high quality outlets in finance and related fields (e.g., economics);
  - Demonstrated impact in the profession in terms of citations and professional activities (e.g., editorial board or editorship roles, keynote addresses, etc.);
- A demonstrated ability of effective teaching;
- A history of successful graduate student supervision;
- A demonstrated willingness to provide service to the university and profession.

We recognize that, because Fintech is a relatively new area of scholarship, applicants may have a much broader record of scholarship in other sub-fields. To qualify for this position, the successful candidate must demonstrate that their recent, current, and future focus is in the FinTech area.

The Chair will establish an active research program that focusses on FinTech. The successful candidate will dedicate their time to establishing a high-impact research program; submit scholarly works to high-

quality journals; contribute to teaching and graduate student supervision; and provide service to the university and within the profession. The position has an attractive remuneration and benefits package, including dedicated research funding.

The Haskayne School of Business seeks to recruit and retain a diverse and inclusive workforce that will contribute to creating the future of business. We are committed to fostering diversity through cultivating an environment where people with a variety of backgrounds, genders, interests, and talents feel welcome and supported. This includes the provision of a formal mentoring program, internal grant review programs that enhance success in research grant applications, pilot funding programs, and other support programs

The University of Calgary recognizes that candidates have varying career paths and that career interruptions can be part of an excellent academic record. Candidates are encouraged but not required to provide any relevant information about their experience and/or career interruptions to allow for a fair assessment of their application. Selection committees have been instructed to give careful consideration to, and be sensitive to the impact of career interruptions, when assessing the candidate's research productivity.

**Interested individuals are encouraged to apply online via the 'Apply Now' link.** Please indicate in your cover letter the rank at which you are applying. Please be aware that the application process allows for only four attachments. Your four application attachments should be organized to contain the following (which may require you to merge documents, such as publications):

- Cover letter and curriculum vitae, including the name and contact information of three referees
- Statement of research interests
- Statement of teaching philosophy/teaching dossier
- Statement on equity, diversity and inclusion

The University of Calgary is partnering with the search firm Perrett Laver in this process. Further information and questions can be addressed to Angela Licata [angela.licata@perrettlaver.com](mailto:angela.licata@perrettlaver.com)

### **Applications are accepted until December 20, 2021**

*The University of Calgary recognizes that a diverse staff/faculty benefits and enriches the work, learning and research experiences of the entire campus and greater community. We are committed to removing barriers that have been historically encountered by some people in our society.
