

### **Canada Research Chair (Tier I), Quantum Machine Learning, Faculty of Science**

The **Faculty of Science** at the **University of Calgary** invites applications for a full-time **Canada Research Chair (CRC) Tier I** position in quantum computing in the area of **Quantum Machine Learning**. The successful candidate will be appointed as a **Full Professor (with Tenure)** position, and nominated for a CRC Tier I position, in the Department of Physics and Astronomy or the Department of Computer Science with cross appointments to related Departments possible. This position has an anticipated start date of July 1 2022 or later.

The successful candidate can join the Faculty of Science's [Institute for Quantum Science and Technology](#), which comprises 17 faculty members and their research groups, and the Institute is a member of the Quantum Alberta consortium, which is a community of quantum scientists, technologists and engineers working in the Province of Alberta.

Tier I candidates: must hold a Ph.D. in physics, chemistry, computer science, mathematics, or related discipline and be an outstanding internationally recognized researcher in theoretical quantum information science; demonstrated leadership in the area of quantum machine learning; a highly successful track record of supervising graduate students and/or postdoctoral scholars; and a strong record of leading externally funded projects. Interdisciplinarity is an asset and industrial partnerships are encouraged.

Tier I Chairs are tenable for seven years and renewable once. Tier 1 Chairs are intended for outstanding and innovative world-class researchers whose accomplishments have made a major impact in their fields and who are recognized internationally as leaders in their fields.

Further information about the Canada Research Chairs Program can be found on the Government of Canada's CRC [website](#), including eligibility criteria.

The applicant must be able to work effectively with people from diverse communities and cultures at the University of Calgary.

**Application deadline is January 21, 2022.**

**Please apply online via the 'Apply Now' link.** A complete application should be submitted in a single pdf, and include the following:

- Cover letter (1-2 pages)
- Current curriculum vitae
- Research Plan (1-3 pages)
- Teaching Philosophy (1-2 pages)

- Statement describing the candidate's contributions, or potential contributions to, equity, diversity, and inclusion (EDI) along with their ability to work with a culturally diverse and international student, staff, and faculty body (up to 1 page)
- Names and contact information of three references

**Questions and applications can be addressed to:**

Dr Barry Sanders, Director, Institute for Quantum Science and Technology, Chair of the Quantum CRC Search Committee

*The University of Calgary recognizes that a diverse staff/faculty benefits and enriches the work, learning and research experiences of the entire campus and greater community. We are committed to removing barriers that have been historically encountered by some people in our society. We strive to recruit individuals who will further enhance our diversity and will support their academic and professional success while they are here; in particular, we encourage members of equity-deserving groups (women, Indigenous Peoples, persons with disabilities, members of visible minorities and diverse sexual orientation and gender identities) to apply. All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. To ensure a fair and equitable assessment, we offer accommodation at any stage during the recruitment process to applicants with disabilities. Questions regarding diversity or requests for accommodation can be sent to Human Resources ([hrhire@ucalgary.ca](mailto:hrhire@ucalgary.ca)).*

In support of University of Calgary's promotion of a diverse workforce, the Faculty of Science is committed to showing leadership in diversity, equity and inclusion and nurturing a healthy and respectful workplace environment for all.

The University of Calgary has launched an institution-wide [Indigenous Strategy](#) in line with the foundational goals of [Eyes High](#), committing to creating a rich, vibrant, and culturally competent campus that welcomes and supports Indigenous Peoples, encourages Indigenous community partnerships, is inclusive of Indigenous perspectives in all that we do.

The University of Calgary recognizes that candidates have varying career paths and that career interruptions can be part of an excellent academic record. Candidates are encouraged but not required to provide any relevant information about their experience and/or career interruptions to allow for a fair assessment of their application. Selection committees have been instructed to give careful consideration to, and be sensitive to the impact of career interruptions, when assessing the candidate's research productivity.

To learn more about academic opportunities at the University of Calgary and all we have to offer, view our [Academic Careers website](#). For more information about the Faculty of Science visit **Careers in the Faculty of Science**.

**About the Faculty of Science**

The Faculty of Science has been catalyzing change and inspiring discovery, creativity, and innovation for over 50 years. Our strategic direction integrates current and emerging strengths with areas targeted for future growth and investment. Our strategic priorities, goals, and values guide our mission to advance

research, scholarship, and innovation, create authentic learning experiences, and inspire careers of the future. We drive transformational change, and build a strong community through teaching, learning, research, scholarship, and collaborative partnerships. We do this work to generate curiosity-driven discovery and contribute solutions to society's grand challenges. For more information, visit [science.ucalgary.ca](http://science.ucalgary.ca).

### **About the University of Calgary**

The University of Calgary is Canada's leading next-generation university – a living, growing and youthful institution that embraces change and opportunity with a can-do attitude. Located in the nation's most enterprising city, the university is making tremendous progress on its Eyes High journey to be recognized as one of Canada's top five research universities, grounded in innovative learning and teaching and fully integrated with the community it both serves and leads. The University of Calgary inspires and supports discovery, creativity and innovation across all disciplines. For more information, visit [ucalgary.ca](http://ucalgary.ca).

### **About Calgary, Alberta**

Calgary is one of the world's cleanest cities and has been named one of the world's most livable cities for years. Calgary is a city of leaders - in business, community, philanthropy and volunteerism. Calgarians benefit from a growing number of world-class dining and cultural events and enjoy more days of sunshine per year than any other major Canadian city. Calgary is less than an hour's drive from the majestic Rocky Mountains and boasts the most extensive urban pathway and bikeway network in North America.
