Step 3: After entering your email, you will be taken to a page where you must enter a security verification code that will be sent to your email.

Security verification

Enter 6-digit code sent to
[REDACTED]@hotmail.com

[Resend code](#)

Continue [Cancel](#)

*If the 6-digit code is not working or you took too much time to enter it, please click on **“Resend code”**.

*If it's still not working, please contact Good Grants directly at: help@goodgrants.com

Step 4: You will have to set up a multi-factor authenticator. You can use one of these applications:

- **Microsoft Authenticator *Recommended option***: the same as the University of Calgary. **If you select that option, you can open the app and scan the QR code directly from it.**
- Google Authenticator

- Okta
- OneLogin Support

If you have some issues with the multi-authenticator factor (MFA):

There is many MFA tools available. Each of these utilities is slightly different but may encounter the same types of issues. These include lost backup codes, syncing problems, authenticator app glitches, or even network connection snags.

Check out the links below to view help documentation created by the most commonly selected providers to help troubleshoot:
