

# I found an injured, orphaned, or dead animal. Who should I call?

There are many organizations throughout Alberta that can help. Each have different facilities, resources, and permits to care for different species.

## Alberta Birds of Prey Foundation

**(403) 331-9520 | Coaldale, AB**

- Focus on birds of prey, but will take all other birds
- Rescue, rehabilitation, and release
- Southern Alberta, but will accept from elsewhere

## Alberta Society of Injured Birds of Prey

**(780) 922-3024 | Sherwood park, AB**

- Focus on birds of prey
- Rescue, rehabilitation, and release
- Northern Alberta

## Cochrane Ecological Institute

**(403) 932-5632 | Cochrane, AB**

- First choice for moose, deer, elk (calves), bison, black bear cubs, and swift foxes.
- Also accept all other non-banned species\*
- Rescue, rehabilitation, and release

## Calgary Wildlife Rehabilitation

**(403) 220-2806 | Calgary, AB**

- Based out of Calgary, Alberta
- Bobcats, adult skunks, migratory birds, and all others not on the banned species list\*, except for bear cubs
- Rescue, rehabilitation, and release
- Accepts from everywhere in Alberta

## Medicine River Wildlife Center

**(403) 728-3467 | Spruce View, AB**

- Mostly birds, but accept all non-banned species\*
- Rescue, rehabilitation, and release

## WILD North

**(780) 914-4118 | Edmonton and Spruce grove, AB**

- All animals except banned species\*
- Rescue, rehabilitation, and release
- Operate in northern Alberta

## Alberta Institute for Wildlife Conservation

**(403) 946-2361 | Madden, AB**

- All animals except banned species\*
- Rescue, rehabilitation, and release
- Everywhere in Alberta

## Canadian Wildlife Health Cooperative Calgary, AB

- Run through the University of Calgary veterinary school
- Examine dead wildlife, specifically unusual mortality events and outbreaks
- Report observations of mortality events through:  
**[http://www.cwhcrcsf.ca/report\\_and\\_submit.php](http://www.cwhcrcsf.ca/report_and_submit.php)**

**Most of these locations can perform necessary euthanasia on any animal.**

**If unsure which organization to call, choose the closest location that can help the specific animal.**

**If one organization is already on its way to help, do not call another one.**

### **\*Banned species list:**

- |                     |          |  |                  |                 |           |
|---------------------|----------|--|------------------|-----------------|-----------|
| - Pronghorns        | - Elk    | - Bighorn Sheep                        | - Mountain Goats | - Grizzly Bears |           |
| - Adult Black Bears | - Wolves | - Coyotes                              | - Raccoons       | - Lynx          | - Bobcats |
| - Cougars           | - Bats   | - Amphibians (except the leopard frog) |                  |                 |           |
