

Template_ Final Report Outline for Scholarship Recipients

Please use this template for your acknowledgment in publications and or final report:

❖ **Acknowledgment in Publications:** *“This research was supported by funding from the Canadian Network for Antimicrobial Resistance (CAN-AMR-Net). The authors gratefully acknowledge CAN-AMR-Net for their financial support, which made this work possible.”*

❖ **Final report (max 400 words)**

1. Title Page

- Recipient's name and institution
- Funding period
- Your supervisor's full name

2. Summary of Activities

- Brief description of research, project, or studies conducted during the funding period.

3. Key Achievements

- Major milestones, outcomes, or findings resulting from the funded work.

4. Impact Statement

- Explanation of how the scholarship funding contributed to academic, professional, or research development.

5. Acknowledgments

- Statement acknowledging CAN-AMR-Net funding (if applicable).

6. Future Plans

- Next steps for research, professional development, or dissemination of findings.

7. Supporting Documents (if applicable)

- Publications, presentations, or other outputs resulting from the funding.

8. Submit your report to canamrnet@ucalgary.ca.
