PINE CREEK WASTEWATER
TREATMENT FACILITY

Directions: From Calgary, head south on Macleod Trail. At 194 Ave SE, turn east. Follow 194 Ave SE down into the valley until you see the sign to turn right into the Pine Creek Wastewater Treatment Facility. Follow the signs until you reach the building/parking lots. The last leg of the journey is on a graded temporary road. Although the street address is 3131 - 210 Ave SE, note that there is no direct access from the 210 Ave SE exit off Macleod Trail. Drive past security and into the East circular parking lot adjacent to the river. Because this is an industrial facility PPE (which we will provide) is mandatory. Safety boots are not necessary for a tour but please wear pants and closed toed flat shoes.
