SUPPORT: Research Awards
Nomination Review Form

UNIVERSITY OF
CALGARY

SUPPORT: Research Awards submissions must include this form and the nomination documents indicated in the relevant Research Opportunities Database entry (requirements vary by award/competition.) Nominators or nominees should submit this form and the nomination package to their faculty research office. Research Facilitators and/or ADRs will submit nomination packages to researchawards@ucalgary.ca

Is this an institutional nomination request? Yes   No

Please note: For competitions where institutional nomination is optional, Faculties should consider whether a nomination from an expert in the candidate's field would be more advantageous.

Nominee Name:

Agency: Award:

Faculty: Department:

Briefly summarize the rationale for putting forward this nomination. Describe how the nominee is a good fit for this award, **with specific reference to the award criteria**. *200 word limit.*

List the nomination components that are being submitted for SUPPORT review *(for example: Nomination letter, CV, letters of reference, etc.)*

Are there any elements of the nomination that you would like SUPPORT to directly address in its feedback?

Is there anything else SUPPORT should know about this nomination?

Written feedback will be provided to the nominee and faculty within 3-4 weeks of the SUPPORT: Research Awards deadline.
