T. Chen Fong Postdoctoral Fellowship in Imaging Science

DONOR: T. Chen Fong, colleagues and friends

FIELD OF STUDY: Medical Imaging or other Imaging Science discipline with potential relevance to applications or techniques in radiology and medical imaging science.

AWARD VALUE: \$70,000 per year if funds are available.

The fellowship will be considered as salary income. The salary is subject to Canada Pension Plan (CPP) and Employment Insurance (EI) deductions. The salary will also be subject to the Income Tax Act as per the Regulations of the Government of Canada. The supervisor will be responsible for the employer's contribution to CPP and EI and any increases mandated by the PDAC Collective Agreement.

The extended health benefit plan, which is mandatory for all postdoctoral associates, is not covered by the award. It is the responsibility of the supervisor to cover the cost of the benefit plan.

RESEARCH ALLOWANCE \$5,000 per year

VALUE: All expense claims must be deemed eligible as per [university guidelines and](#) must be preapproved by the Office of the Vice-President (Research) and the supervisor.

NUMBER OF AWARDS: Variable

DURATION OF AWARD: One year

COMMENCEMENT OF AWARD: November 1, 2024 – March 1, 2025

ELIGIBILITY: For the upcoming competition, applicants must have earned their PhD, MD or equivalent degree within the three years immediately preceding October 31 of the competition year. Preference will be given to candidates who have received some of their education at other institutions.

The recipient must carry out a program of independent research, present one or more departmental seminars for students and faculty, and contribute on an informal basis to other departmental activities. Research must focus on 1) The development or implementation of imaging science with relevance to medical imaging applications. 2) Or, a broader range of imaging applications with a potential link to medical imaging.

The T. Chen Fong Postdoctoral Fellowship may not be held simultaneously with an external fellowship or current postdoctoral fellowship appointment. Exceptions may apply and will be reviewed on a case-by-case basis by the Office of the Vice-President (Research).

CITIZENSHIP: Unrestricted

WHERE TENABLE: University of Calgary
